CBM is found and how much is the reserve in terms of quantity and in terms of value and action taken to exploit the same;

(b) whether it is also a fact that Coal Bed Methane found in Gujarat has not been exploited as the mineral rights has not been established; and

(c) the action Government are contemplating to explore and exploit CBM found in Gujarat?

THE MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI SANTOSH GANGWAR): (a) to (c) Coal Bed Methane (CBM), being Natural Gas, is covered under provisions of the Oil (Regulation & Development) Act, 1948 and the Petroleum and Natural Gas Rules, 1959. The available studies indicate the presence of CBM resources in the states of West Bengal, Jharkhand, Madhya Pradesh, Rajasthan and Gujarat. The commerciality of CBM production can be known only after exploration is carried out. The policy approved by the Government of India provides for exploration and exploitation of CBM throughtout the country.
